

**Mani Bhushan Pandey**

**WEB DEVELOPER**

### Profile

Energetic and dedicated PHP and Laravel developer with a non-tech background, fueled by a passion for full-stack web development. Equipped with a solid foundation in PHP and Laravel, I bring a fresh perspective to problem-solving, coupled with a relentless drive for continuous learning. Adaptable and collaborative, I thrive in dynamic environments, eager to contribute my skills and embrace new challenges. Ready to leverage my expertise to deliver innovative web solutions and make a meaningful impact in a fast-paced team environment.
